*****Special Feature Vacation Packages***** ***through Blue Tree Marketing***

About Blue Tree Marketing

- Developmental & Disability Services of Lebanon Valley DDS) has contracted Blue Tree Marketing to provide vacation packages for the 2018-DDS Empowerment Auction.
- These packages will be sold through Lane Ryan Auction and are offered on a consignment basis. DDS will benefit from all proceeds that are generated over and above our cost of the package.
- Many BlueTree Marketing experiences require the winning bidder to present hard-copy certificates at check in. These certificates will be sent directly to the travelers once the trip details have been finalized. These certificates must be treated as “same as cash”. BlueTree Marketing can not guarantee lost certificates can/will be replaced.
- BlueTree requires a 30 day advance reservation in order to travel. Any airport departure taxes, fees or fuel surcharges (if charged) are the responsibility of the purchaser. In the unlikely event of an ownership change of one of the included hotels, BlueTree Marketing will use its best effort to find comparable accommodations for that experience.
- BlueTree is not exclusive to American Airlines or only one airline. They work with most major airlines to get the winning bidders direct flights.
- Please be sure to read expiration dates carefully. Over 90% of our trips have no blackout dates, so you can even travel over Christmas Vacation and Spring Break, however several trips have distinct end dates and/or blackouts.
- It is important to be aware of the stated terms & conditions for each travel package.
