

Summer Stars Day Camp

Mission

To help children of all abilities explore new talents while developing social and recreational skills in a fun non-threatening environment.

About Summer Stars

- The camp is administered by Developmental & Disability Services of Lebanon Valley.
- A Camp Coordinator and Camp Assistant oversee the day camp program.
- A contract nurse will assist with activities of daily living, administering medications and perform duties as needed.
- While DDS will strive to accommodate the special needs of campers, there may be some requests that we are unable to fulfill. For concerns, call DDS.
- DDS cannot guarantee 1:1 supervision of campers; if a child has a TSS it is strongly encouraged that the support person attend the program with the camper. This is the best practice to ensure that all campers have an enjoyable experience.
- DDS uses a "Buddy" system. Campers partner with a high school student or adult volunteer. Buddies engage campers in activities and create an inclusive environment for campers.
- Limited scholarship funds are available. Priority given to Lebanon County residents.

Applications Available at the DDS-Alley Learning Center
